MEMORANDUM FOR: Deputy Director for Administration

FROM: Director of Central Intelligence

SUBJECT: Employee Suggestions

    I'd appreciate getting a quick run-down on what we have received from the suggestion boxes over the last number of months we've had them. I'm interested partly in the quantity but also the quality. What kinds of things have been recommended and have we been able to use them? We might well want to make some mention in the Director's Notes of how we have been able to use these suggestions.
